More ways families can pay for gift cards—coming mid to late August

We're excited to announce that now, in addition to linking a bank account (PrestoPay™), families will have the choice to pay for gift cards with a credit card.

Credit card types

Visa and Mastercard will be accepted.

Rebates

The rebate is not impacted—Your organization's earnings will be credited the same way as linked bank account payments.

Purchases

A 2.6% fee is added to a family's order total each time they pay with a credit card. Your organization does not pay a fee. Credit card payments will be processed immediately.

Since your organization has online payments enabled, you do not need to take action. Family members will automatically have the option to choose "Credit Card" under "Payment Options" in their cart once available.
